Lomb, Baghpat, Uttar Pradesh - 250611 | 8006167193 | ts7092723@gmail.com | [LinkedIn Profile](#)

PROFESSIONAL SUMMARY

Dedicated and motivated Computer Science Engineering undergraduate student with a strong foundation in software development, programming fundamentals, and database management. Certified in C, C++, and Java through Spoken Tutorial IIT Bombay. Eager to leverage technical expertise in full-stack development, algorithms, and data systems to contribute effectively to innovative technology projects.

TECHNICAL SKILLS

Programming Languages: Core Java, C, C++, JavaScript

Web Development: HTML, CSS, Responsive Web Design

Databases & Tools: SQL, MongoDB, GitHub, Linux

Soft Skills: Problem-Solving, Logical Thinking, Communication Skills, Team Collaboration

EDUCATION

Roorkee Institute of Technology

Bachelor of Technology (B.Tech) in Computer Science & Engineering

2024 – 2028

Sawan Public Inter College

12th Grade (Intermediate)

2023 – 2024

Godwill Inter College, Kirthal

10th Grade (High School)

2021 – 2022

CERTIFICATIONS & PROFESSIONAL TRAINING

Spoken Tutorial Project, IIT Bombay — C Certification

Roorkee Institute of Technology

December 2024

- Successfully completed comprehensive training and proctored examination covering C programming fundamentals, control structures, pointers, and memory management.

Spoken Tutorial Project, IIT Bombay — C++ Certification

Roorkee Institute of Technology

Certified

- Successfully completed structured training and rigorous evaluation in object-oriented programming concepts using C++.

Spoken Tutorial Project, IIT Bombay — Java Certification

Roorkee Institute of Technology

Certified

- Demonstrated proficiency in core object-oriented programming principles, syntax, and application structure through IIT Bombay's authorized training program.

Computer Science and Programming Fundamentals

- Learned foundational computer science concepts, Linux command-line operations, HTML, CSS, and web development fundamentals with industry experts.

MongoDB Fundamentals & CRUD Operations

Database Management Training

September 2024

- Mastered NoSQL database structures, JSON/BSON document modeling, CRUD operations (Insert, Find, Replace, Delete), aggregations, indexing, and MongoDB Atlas Search.
